Tues 5th March—Stage 3 Cake Day & Zone Swimming Carnival
Tues 5th March—Star 104.5 FM—Meet and Eat—6.00am—9.00am

Only at Killarney Vale!

A great effort was put in from our P&C last Sunday with our Bunnings Barbeque. We raised over $1000 for our school. A number of people said our sausages tasted wonderful and were “cooked to perfection”. Further, they were plated up well and within the timeframe. Glenn Murray, answering “Yes chef” for each order, just added a touch of class to the day!

Also, two other things happened this week that showed what a special spot we have. First, as a judge, I could hear what swimmers said when they finished. After one very close race the judges were debating and I heard the two swimmers congratulate each other – before they knew the result. What great kids!

And, to the dad who helped pack and store the infant’s sports equipment – thanks so much! It does make things easier with our littlies.

This is a magic spot!

Brain Gym Session for Parents

Thanks to all parents who took the opportunity to attend the Brain Gym session yesterday. It seemed like a good learning session and a great time was had by all!

Wyong Road Gates.

Unfortunately we still had incidents since last week’s newsletter, including a parent nearly reversing over an infant’s student. The gates will now have to be closed for the safety of our students. I apologise to those parents who used the area well and will now miss out on parking here.

Don’t forget the carpark at the oval on Wyong road has two sections. One is between the school and the amenities building and the other on the Wyong side of the amenities building.
