Congratulations and Farewell

The Killarney Vale community would like to congratulate Mrs Michelle Reid on her recent success at interview and gaining the position of Assistant Principal at Woy Woy South Public School. I know that all of the students and families will agree that Mrs Reid has been an outstanding member of staff at KVPS over a number of years. It has been my pleasure to work alongside Michelle over the past 12 months and would like to wish her all the best for this new chapter in her educational career. Michelle has been an integral part of our Positive Behaviour for Learning (PBL) team in recent years and her expertise at the Bottle O Stall for Tiger Day will surely be missed. As an educator, Michelle has worked with numerous students over the years at KVPS and has enriched their lives in ways that cannot be measured. Michelle will certainly leave large shoes to fill. Congratulations and best wishes. Mrs Reid’s last day will be Wednesday December 17.

Presentation Day 2014

Killarney Vale Public School’s annual Presentation Day will be held in our school hall on December 9 starting at the following times:

Years 3-6: 9:30am
Kinder - 2: 12:15pm

Presentation day is a special time of the school year where we celebrate the achievements of our students. I would like to encourage all families to come along and share this special event with us at KVPS. Several past students will be with us to announce award recipients and this year we also have a few new awards that will be issued.

2015 Enrolments

Thank you to all of the parents who have made contact with the school to inform us that they will no longer be attending KVPS in 2015. This information is allowing us to plan effectively. If you have not yet made contact about enrolment for 2015 please do so as soon as possible. If you know of any community members who have children who are due to start next year, please ask them to make contact with the school’s front office team. We are very close to having a 15th mainstream class which will reduce class numbers across the school and it is vital we know if students are not returning in 2015. Thank you for your understanding and assistance.
