**Technology Day**

Today was our first Technology Day for 2014. It was pleasing to see so many students participating in this fantastic event. All students had additional time in one of our two computer labs where a variety of quality literacy and numeracy activities were being completed. Also in my travels, I came across iPads and iPad minis, Apple iPod touches, remote control cars, video cameras and a wide variety of gaming consoles. A super star thank you to all of the classroom teachers and parents for helping make this day possible. Well done.

**Athletics Carnival – April 3**

The Athletics Carnival is on Thursday 3rd April for all students in years 2-6. Be aware that the athletics carnival is a normal school day. Alternative supervision will not be made for students who do not wish to attend the carnival. Students need to be wearing their house colour T-shirt, joggers and hat. Plenty of water and sunscreen is recommended for the day. Parents are encouraged to come along for the day to watch and help out in events. If you are interested in volunteering your skills and time please see Mrs Beemster on the day.

**Koori Bus Launch – April 2**

Tomorrow is the official launch of the Koori Choir Bus at Berkeley Vale Public School starting at 11:30am. The students in our famous Koori Choir will get to experience a ride on the bus tomorrow along with the rest of the choir. This should be a fantastic community event and I look forward to seeing you all there.

**Easter Disco – April 9**

Please see the P&C news in the newsletter for information regarding the upcoming Easter Disco!!

Quality work with Mr Moxon
A frenzy has hit this week with so many classes and teachers hoping to rate a mention in ‘Quality work with Mr Moxon.’ I would like to thank the staff and students of Killarney Vale for their ongoing commitment to producing high quality work each and every day. I am very impressed. This week, my recognition has to go to Mrs Keyes and 1/2K who invited me into their classroom to read me a persuasive text that they had jointly constructed. The piece of writing was to persuade me to let them and their teachers have Fridays off. After careful consideration I have come to the conclusion that we need to be at school five days a week.

A special mention of 2/3B and their Super Spelling Skills also needs to be listed, as late last week I had around 11 students from 2/3B visit my office to show me their perfect scores. Keep up the great work.

Have a great week Killarney Vale.

Mr Moxon
