NAPLAN

The NAPLAN assessments for 2014 are well underway, students in Years 3 and 5 have been working hard to demonstrate their understanding of literacy and numeracy. NAPLAN results are usually available to parents late September. This year, NAPLAN gave me a very exciting opportunity. I have had the pleasure of working with our Year 6 students during this time. Year 6 and I have been working through some Forensic Science concepts which will form part of the integrated unit that is currently being taught. It has been a few years since I was last in a classroom and I cherish every opportunity to get back in front of a class.

Bateau Bay Square – Cash for School Promotion

It’s official Killarney Vale – We have WON the 2014 Bateau Bay Square, Cash for Schools competition. We have won $3000… A representative from Bateau Bay Square is working with the school to make the presentation at a school assembly later in the term. Well done everyone, a fantastic team effort!!!

Bunning BBQ

Last Saturday, May 10, the KVPS P&C team cooked up a storm at the Tuggerah Bunning BBQ event for Term 2. Once again through determination and hard work, the P&C have managed to raise another $1300. It is always a fantastic group effort with parents and staff working together and having a bit of fun while working hard to raise much needed funds for our school.

Highway Patrol Sightings - Wyong and Henricks Road

During the past week highway patrol police cars have been spotted on both Henricks and Wyong Roads. The safety of our students is paramount and it is important to obey traffic rules when in and around the school area. The P&C are currently working with Wyong Shire Council and the Roads and Martine Service (RMS) to revise the signage on both roads.
Cross Country

A big KVPS thank you to Mrs Keys and her team of helpers who made this year’s Cross Country a success. Students from year 2-6 took part in this annual event. Although the day started wet, we pushed ahead and were lucky enough to finish all events. For 2015, a course revision will be conducted to remove the section of track that encompasses the footpath along Wyong Road near our bottom gate. As always, it was pleasing to see so many parents attend the event and show their support.

Front office display

KL has produced some quality artwork which is currently on display in the front foyer.

Quality Work with Mr Moxon

Late last week, Presley H in 5/6R came down to the office to read to me her very descriptive narrative entitled ‘The Door’. Presley’s narrative was very detailed, descriptive and creepy. I also had six very excited students from KL who came to the office to show me their work on ‘The Gruffalo’. Elise C, Fynn E, Leila F, Jack E, Jolie J and Monique G from KL demonstrated some quality bookwork and illustrations. All students walked away with my Super Special Principal’s stickers. Keep up the great work. I wonder who will shine next week.

Have a great week Killarney Vale!

Cross Country 2014

Well, we didn’t let the rain stop our Cross Country Carnival this year! Students in grades 2-6 participated in either a 2km or 3km race around our school. All students earned house points and the top 8 in each age group were selected for our Zone Carnival, which is commencing next Tuesday 20th May 2014.

I was so proud of all students, many of them were seen cheering on others and spreading true sportsmanship.

Notes will go home detailing the Zone Carnival. They are due back as soon as possible.

WANTED!

ETHICS teachers and coordinator
for Ethics Classes at KVPS

Dear parents and carers,

At KVPS, we now run ethics classes as an option for children who do not attend scripture in stage 1, stage 2 and stage 3. Due to high demand and due to the expected roll out of the curriculum for Kindergarten students later this year, we need more volunteers to teach Ethics.

If you would like to join our Primary Ethics (PE) Team at KVPS, please visit www.primaryethics.com.au and click on ‘become and ethics teacher’ or ‘become an ethics coordinator’ and PE will contact you as soon as possible. Both positions are very rewarding:

The coordinator liaises with the school, recruits and supports the ethics teachers.

The ethics teacher offers inquiry based lessons and teaches children to use dialogue and discussion to learn how to think about ethical matters through give-and-take or reasoned argument. New teachers will be offered training on how to deliver the program, free of charge of course.

Go to www.primaryethics.com.au to read more about the program. If you would like more information before enlisting, please call the school and ask for Patricia Wayling, our present but outgoing coordinator.

Join us now, so we can cancel the present waiting list for stage 3 and start Kindy as soon as the curriculum comes out.

Primary Ethics Coordinator KVPS
Patricia Wayling.
