60 seconds with...

Ms Price-Pahulu

Q - Ms Price-Pahulu, what inspired you to become a teacher?

A - When I was 15, I had this amazing teacher that inspired me to want to study teaching and become a teacher. Since becoming a teacher I have worked at Wyoming, Wagga Wagga and Hay Public Schools.

Q - What would you say, is your favourite meal?

A - At present, I would have to say Mexican. I love the flavours, the freshness and vibrant colours associated with Mexican food. In my opinion, it is simply the best...

Q - Ms Price-Pahulu, when you are not at KVPS, what do you enjoy doing in your spare time.

A - Oh, that's an easy one. I can answer that in one word... Sleep.

Thank you for spending 60 Seconds with us...

P&C Executive Position Available - Junior Vice President
The role of the Junior Vice President is to assist the President and the Senior Vice President in the successful functioning of the P&C and to take on any of the Presidential duties when invited to do so by the President or when the President is, for reasons of illness or alternative commitments, unable to undertake those duties.
If you would like to nominate for the role of Junior Vice President or if you would like further information on this role, please contact a member of our P&C Executive Committee.

“FLUORO” Disco
What a great night and what a great turnout! Thanks to all of our fantastic helpers and all of the wonderful teachers who came along to share the night with our children and support the P&C. The feedback from everyone has been very positive, especially the children who can’t wait for the next disco. The event raised over $1,100.00 for our school. Our next P&C disco is scheduled for Thursday 30 October and will be our “Scary Disco”.

As this is the last week of term, some of our normal items may be in limited supply as we run our stock down for the school holidays. If your child’s item of choice is not available, an alternate item will be offered.
