As in previous years, we endeavour to have all of the K-2 class photographs and portraits taken in the morning session. We will attempt to do this once again. All family photographs will be taken during the lunch and recess breaks.

Please note any students sitting the Selective High School assessment will need to return to school directly after the assessment. We will try to hold senior class photos till later in the day to avoid students missing out.

The MSP Photograph envelope are with this newsletter.
School Banking

Last Monday we had Jane and Pat the Dog from the Commonwealth Bank visit the school to talk about our school banking program. Every week we have new students signing up to become a part of the school banking program. Mrs Carkeet and Mrs Vesper, who are both P&C members assist the school each and every week, process all of our banking needs and support this program.

Foyer Display

Every three weeks the display in the front foyer changes, this allows our classes to showcase some of their amazing work samples. I encourage you from time to time to drop into the front office and see some of our quality work samples. This week 2GB has put up a display focusing on Mini Beasts.

Quality work with Mr Moxon

This week Trinity and Madelyn in KD came to visit my office to show me some of their mathematics and colouring in. I must say for kindergarten students, you are working very hard. Keep up the great work. Your teachers must be so proud. Also my office was inundated with students from 3B with several books highlighting quality work in a range of subjects.

Have a great week Killarney Vale, keep up the hard work, it is very impressive!

Nutrition Snippet

The simplest way to eat more fruit and veg.

Here are a few ideas for how to make eating the recommended 2 serves of fruit and 5 serves of veg easier:

- **Canned and frozen fruit count.** Stay healthy with canned fruit in juice not syrup, and canned veg with no added salt.
- **Legumes are vegetables too.** Try adding dried peas, beans and lentils to meals.
- **Juice only counts once.** 125ml of 100% fruit or vegetable juice is 1 serve, but doesn't contain the fibre of chopped fruit and veg. Water is the ideal drink.
- **Dried fruit only counts once.** A small box of sultanas or 4 dried apricot halves equals one serve – but don't go overboard on dried fruit.
- **A little and often.** Children may eat more if you offer smaller serves more times a day.
